Dear Sponsor:

We are writing on behalf of the Union Beach Fire Company No. 1 to request a donation for our Pocketbook Lunch & Gift Auction Fundraising event scheduled for **December 1st 2019**. At this event, typically attended by 200 residents, we auction off designer bags generously donated by businesses like yours as well as gift baskets, tickets to events & more. The event proceeds will help provide funding for our local volunteer fire company for those things that are not provided by the town (e.g. equipment, building maintenance, etc.). Thanks to businesses like yours, we will be able to raise enough money to meet our 2019 expenses.

We are hoping to have 17-18 sponsors for this event and appreciate your help! Should you make a donation for this event, your business will be recognized on display with your sponsored bag or with the item donated and in our event space. It will also be posted on the Union Beach Fire Company website. We will also provide a donation receipt letter with the fire company's tax exempt ID number for your records (upon request). All monies donated will be used for the purchase of the bags or gifts in your name. Please include a Business Card & Flyer with your donation to be given to the winner.

Monetary Donations can be made in the following ways:
